Merry Christmas

Paul Ralston Has Program For Rotary

Paul P. Ralston will be chairman of the day for the Rotary Club luncheon at Spenger's this Tuesday, and will introduce James Betts of Goodwill Industries who will speak on the varied charitable activities handled by his organization during its many years of service. President Roy Harford will preside.

Last Thursday noon members of the Albany Club held a joint meeting with the El Cerrito club at the neighbor club's headquarters at Potrero and Kearney Streets in El Cerrito. There was an excellent turnout and the Rotarians and visitors enjoyed an interesting and humorous talk on his "Fan Mail", by Paul Spiegel, columnist on the News-Call Bulletin staff in San Francisco, and a much sought-after speaker.

On Tuesday of last week Dr. Benjamin Lieberman, heart specialist, spoke on the subject, "Your Heart and the Heart Fund", at the regular luncheon meeting of the Albany Club at Spenger's. Don Bruce was chairman of the day.

Correction On Council Article

A couple of errors crept into the Albany City Council story last week. One was that the zoning ordinance hearing had been set for January 19, 1950, instead of 1960 — a typographical error. The other, relating to the same item, stated that Mrs. Zahn had voted "No" on setting the hearing date. Notes of the meeting show her vote as "Aye".

Careful Driving Urged During Holiday Season

The California Highway Patrol, the National Safety Council, the California State Automobile Association, and the National Automobile Club have all issued statements urging the automobile driver to use extra care while using the streets and highways of the State druing the holiday season.

The Highway Patrol has just issued a statement listing figures on accidents which occurred just a year ago, and asking the public's help in cutting down on the appalling number of serious and fatal accidents.

Close Competition in Christmas Contest Results in Double Award

Albany after dark blooms into a Christmas Wonderland. Thirty official entries participated in the Albany Times - Ellis-Olson Mortuary Outdoor Christmas Decoration Contest. The three judges selected were, Mrs. Mabel Ryken of 1015 Pomona Avenue, Mr. Frank Graeber of 1061 Peralta Avenue, and Mr. Robert Dennis of 849 Madison Street.

Sunday evening, December 20, the judges were taken to each home entered in the contest and individual point sheets were compiled on each entry. In selecting the winners, the judges stated that all those who participated in the contest are to be heartily congratulated on their outstanding displays. Judging the winners, they said, was an extremely difficult task. The rating was very close. All three judges agreed. In fact, the judges rated both the home of Mr. and Mrs. Andrew Hartwig of 907 Cleveland Avenue, and the home of Mr. and Mrs. Mike J. Borelli of 820 Cerrito Street, exactly the same, and they were declared double Sweepstake Winners, and identical prizes of $50 will go to each one. Each decoration is different from the other, and each has contrasting merit that is individualistic. Both reflect high originality and workmanship; excellent eye-appeal; conformity with the Christmas theme; and beauty, glamour, and design in arrangement and balance.

Mr. and Mrs. Andrew Hartwig's home depicts a Church with a spire and lighted cross with silhouette of the congregation in the windows, lighted Christmas trees in windows and garden and tall candles on each side of the entrance, carry out the theme of an Old Fashioned Christmas.

The home of Mr. and Mrs. Mike Borelli has lighted Santa

United Crusade Near Goal, and Still Climbing

The date for the official end of the 1959 United Crusade campaign has come and gone but contributions are still coming in, according to Sid Wallace, chairman. "It is still not too late to send in that contribution you intended to make," says Wallace. "Checks and money orders should be sen to Post Office Box 769, Berkeley."

Albany as a whole has reached 93.7 per cent of its quota, according to Bert Griffin, chairman of the Albany area. Leading division in the city is Commerce and Industry, under Chairman Lewis Howell, which has collected 101 per cent of its quota, followed closely by Mrs. Carence Quick's Residential Division which recently went over the top to reach 100 per cent even.

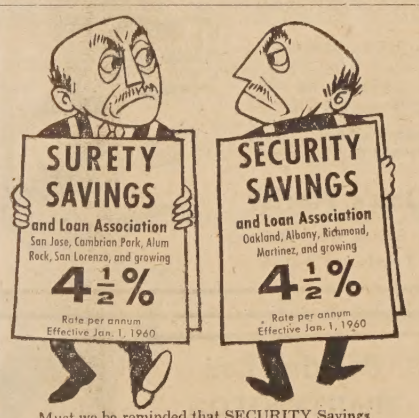

Business Division, John Pleich, chairman, reports 89 per cent of its quota raised; Public Schools Division, under Chairman George Chessum, shows 85.2 per cent collections and Public Employees Division, with John Bercelli chairman, reports 62.8 per cent of its quota.

Thanks to Fire and Police Departments

The following letter of thanks has been received from Mr. and Mrs. William W. Cully Jr., of 830 Masonic Avenue:

"We would like to express our sincere thanks to Albany Police Chief Ralph Jensen, Fire Chief Gerald Browne, and to the men of their respective departments for the excellent assistance rendered us early on the morning of December 1, last.

"Police Officers Myron Jose and Robert Doughty; Fire Captain Raul Miranda, and Firemen Ken Cochran responded quickly to our urgent call for help. Without their skilled teamwork and the help of God, the life of our 6½-year old son Patrick would not have been saved. To these men we are extremely grateful.

Must we be reminded that SECURITY Savings and SURETY SAVINGS both have names that SOUND alike and LOOK alike? The similarity even extends to the fine Old-English type on both our letterheads (stockholders love it).
Right now, we're happy to do away with the confusion by announcing that the two organizations have...

MERGED!!

Our name as a merged organization is SECURITY SAVINGS AND LOAN ASSOCIATION. We're in Oakland, Albany, Richmond, Martinez, San Jose, Cambrian Park, Alum Rock, San Lorenzo—*and growing!*

Garfield Junior Dance Raises Nearly $100

The Secondary Council of the Junior Red Cross of Berkeley Red Cross Chapter has turned over nearly one hundred dollars to the Berkeley Christmas Committee, according to Mrs. Florence Casarelli, executive secretary of the Berkeley Christmas Committee. This money was raised as proceeds from a Saturday night dance held recently at Garfield Junior High School gymnasium.

The dance was planned and executed by a committee of high school students headed by Lee Robinson, President of the Secondary Council, with Mrs. Carl F. Mehlhop, Director of Junior Red Cross, acting as advisor.

"We are particularly grateful for their interest in raising money for Berkeley's needy. Money is coming in very slowly this year, and we hope this fine example of juvenile decency will rebound other members of the community to remember those less fortunate than they during this holiday season," said Mrs. Casaroli.

St. Vincent de Paul Celebrates 100 Years In S.F. Bay Area

The Society of St. Vincent de Paul will celebrate 100 years in San Francisco and the Bay Area in 1960.

Robert E. Halsing, centennial chairman of the volunteer charitable organization, said that the observance will be a year-long one, and that the civic centennial program will be marked by a regional conference of the Society, to be held at the Jack Tar Hotel in May and a civic banquet, scheduled for the Hotel Fairmont in September.

The Society of St. Vincent de Paul was founded by Frederic Ozanam at the University of Paris in 1833. Its charitable purposes found such wide and instant acceptance that a local unit, the San Francisco Particular Council, was founded here — at that time an isolated outpost of western America — only 27 years later.

Phone Company Tax Payments Total 6 Million

More than $3,313,000 flowed into various city and county treasuries in Alameda County today as Pacific Telephone paid its first installment on its $6,626,000 plus ad valorem tax bill for 1959-1960.

The largest check of all — for a whopping $3,184,300.89 — went to County Tax Collector Edwin Meese Jr., to be applied to P.T. &T.'s property tax bill for general county, school and special district purposes.

That amount included taxes for Emeryville, Fremont, Hayward, Newark, Oakland, Pleasanton, San Leandro and Union City.

An additional $128,793.30 went directly to Alameda, Albany, Berkeley, Livermore and Piedmont, which collect their own taxes.

According to Telephone Company Division Manager R. E. Flynn, Pacific Telephone's 1959-60 taxes, which come to exactly $6,626,186.77, represent an increase of $1,426,117.48 over 1958-59. This is a 27.4 per cent rise over last year's telephone tax in this county.

The company will pay its second installment in April.

The following city taxes are included in the 1959-60 total:

Alameda	$ 47,017.30
Albany	30,057.62
Emeryville	1,748.69
Berkeley	149,614.75

Careful Driving Urged During Holidays

(Continued from Page 1)

portable traffic accidents involved drivers who had been drinking. Drinking drivers were involved in 28.3 per cent of all fatal traffic accidents during 1958.

Last year 53 persons were killed during the 102 hour period between 6 p.m., December 24, and midnight, December 28. The Patrol made 305 arrests for drunk driving violations, and a total of 12,572 other moving violation arrests during that period. During the New Year period of the same length last year, 270 were arrested for drunk driving, and 14,035 other moving violations resulted in arrests.

Drive carefully. You may not be a "drinking driver," but the other fellow may have had "one too many". Be careful!

CHRISTIAN SCIENCE

The ever availability of the scientific power taught and practiced by Christ Jesus will be emphasized at Christian Science services Sunday.

Readings from the Bible in the Lesson-Sermon entitled "Christian Science" will include the following. "Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost" (Romans 15:13).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this statement (565: 13-18):

"The impersonation of the spiritual idea had a brief history in the earthly life of our Master; but 'of his kingdom there shall be no end,' for Christ, God's idea, will eventually rule all nations and peoples — imperatively, absolutely, finally — with divine Science."

Christian Science Society, Albany, meets at 533 San Pablo Avenue. Sunday morning services are held at 11 a.m. and Wednesday evening ... held at 8 p.m. The S... convenes every Sun... a.m. All are cordial... attend the services ... dren are invited to ... Sunday School

Merry Christmas

We wish our friends and customers the Merriest Christmas and the Happiest New Year.

We genuinely appreciate your patronage. May we continue to serve you for many new years to come.

FAMOUS MEAT MKT.

1109 Solano Ave., Albany

"HERE'S WHERE THE WATER TAKES A BREATH!"

Our specialty (besides operating the world's most modern water system) is answering questions about water. Like the ones Mr. Graham's answering for the Cubs about our aeration process. And we're best, of course, at questions about East Bay Municipal Utility District. ("East Bay MUD," to you.)

Why do we do it? Well . . . a lot of the work done by your EBMUD is never seen by the public. Purification. Laboratory research. Engineering and construction. The many things we do to make the very best use of your Water District dollar.

Every year we talk to hundreds of Scout troops. Science classes. Community groups. Telling the story behind your sparkling pure mountain water. Or showing it in one of the District's colorful motion pictures.

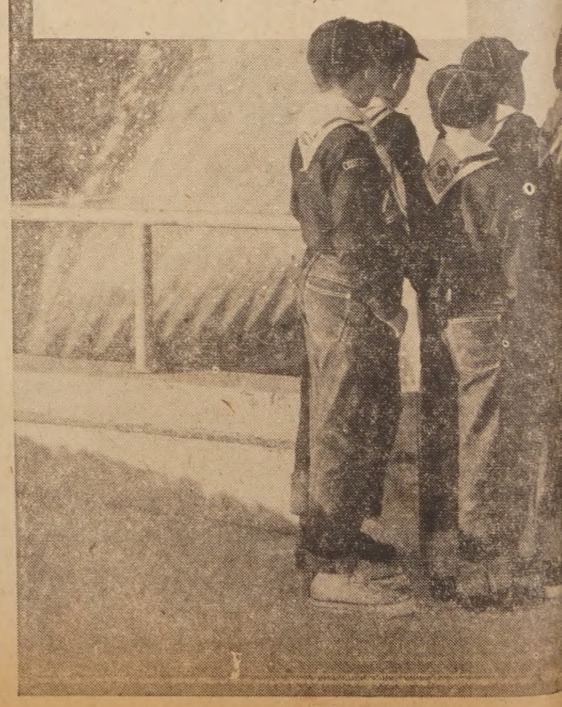

Is there something you'd like to know about water? Something you'd like to see? Come on in! The water's fine . . . and we like to talk about it!

Watery wisdom? Yours by the booklet! Write 2130 Adeline Street, Oakland 23.

Shasta Daylight Now Runs Daily

Southern Pacific's Shasta Daylight between San Francisco and Portland resumed daily operation December 15 to accommodate holiday travelers, the railroad announced today.

Claude E. Peterson, vice president of passenger traffic and public relations, explained that the train operates daily during the Christmas holidays and in the summer when vacation travel is unusually heavy. During periods of light travel it makes three trips a week in each direction.

The holiday schedule will continue until January 15, Peterson said, and then the Shasta will return to its thrice-weekly winter schedule until May 29.
